

INNORG
rise your values

OUR CODE OF ETHICS

The **values** we believe in, the ones we identify with, and on which our way of doing business is **based**s.

LOYALTY

We are committed to maintaining a high standard of ethics and loyalty in all internal and external relationships.

RESPECT

Respect for the work environment and for the people who are part of it is one of the fundamental principles of all our activities.

RESPONSIBILITY

We are aware that our work is essential to the company's success, and we act accordingly.

CAREY

We pay attention to and carefully follow established operational procedures, sharing them with all members of the company.

AMBITION

We believe that both personal and corporate growth come through continuous improvement, constantly nurturing knowledge and an interest in new developments.

HUMILITY

We recognize our limits and continuously strive to overcome them, also by asking for help when necessary.

LISTENING

Listening and open dialogue are at the core of our daily activities.

MERITOCRACY

We follow a system that evaluates and rewards individual merit based on the value contributed to the company's growth.
